### **RE: INVITATION TO THE LAUNCH OF UNESCO CLUB - CO-OPERATIVE UNIVERSITY OF KENYA CHAPTER**

The Kenya National Commission for UNESCO (KNATCOM) is in the process of mainstreaming and empowering students and staffs in major academic institutions in Kenya on the goals, mission and activities of UNESCO. KNATCOM does this by fostering the formation of UNESCO Clubs in these institutions. The Co-operative University of Kenya has facilitated the formation of a strong student-focused UNESCO Club CUK Chapter.

The club will officially be unveiled on the October 9<sup>th</sup>, 2018 from 10am-1pm by a team of representatives from KNATCOM and Talent Africa UNESCO club.

Through this club, CUK will be able to engage in UNESCO targeted activities nationally and internationally - boosting significantly our visibility as a university.

You are ALL invited to attend this important university event.

Sincerely,

**Calvince Ouko Othoo**
